Our Trainers and Assessors

We recognise the importance and benefits of combining industry experience with tertiary education when striving to deliver programs of highest quality and relevance to our students.

All trainers and assessors employed by NITA have demonstrated significant industry experience in addition to holding tertiary qualifications, allowing them to provide a professional and well-rounded learning environment for our students. Most of our trainers and assessors continue to work in the hospitality industry and they bring these real experiences into the classroom.

NITA training and assessment staff are also equipped with vocational education and training (VET) qualifications and professional skills which ensure their teaching methods are suitable for all adult students. We also ensure that they have expertise in working with Indigenous communities and support them to continue to learn and develop their teaching skills through their own professional development program.

Your Course

When you receive this **Student Handbook**, you are in the process of considering whether the SIT30622 Certificate III in Hospitality is the right course for you and whether NITA is the best training provider.

This course is offered as a traineeship, which means a formal **Training Contract** between you, NITA and your employer, which will be in most cases, Voyages. This Training Contract may only be amended or cancelled with the mutual permission of yourself and your employer.

This course operates full time with both classroom-based and workplace-based learning and assessment, usually over 12 months.

Be sure to access a copy of the NITA **Course Flyer** which provides all the details about this course and how it is delivered and assessed.

As part of your orientation, your trainer and assessor will negotiate a **Training Plan** with you. This will outline the units you agree to enrol in and the expected duration of each together with the ways that you will learn and be assessed. This is an important document as it formalises your study plan at NITA. If there is a change in your course, you will be asked to sign an adjusted **Training Plan**.

Your employer, Voyages, will also be asked to sign in which shows that they understand and commit to supporting you whilst you are in the workplace.

STUDENT SUPPORT

Pivotal to your support system are NITA's Residential Supervisors and Youth Worker and the Voyages' Wellbeing Team.

We know that living away from home for the first time can sometimes create many personal challenges. Our team will monitor how you are feeling and settling in and support you in any way we can.

Reasonable Adjustment

Assessors can apply reasonable adjustment to any of your assessment tasks. Reasonable adjustment is the process of adjusting or changing the assessment to meet the need of the individual student being assessed.

This can be:

- an extension of time to hand in or complete the task
- in place of completing your own written work, you may use a 'scribe' to record your answers. The scribe must be approved by the assessor prior to commencement of the assessment, and/or
- verbal assistance from your assessor to interpret the questions by provision of relevant examples and context.

You must discuss any reasonable adjustment needs with your assessor prior to commencing the assessments where you believe you will require assistance.

STUDENT RESPONSIBILITIES

It is very important to make the most of your training opportunity. To optimise your own learning and successful completion, it is expected that you undertake to do the following in accordance with NITA's **Student Responsibilities Policy and Procedure**:

- to supply accurate personal information, including your Unique Student Identifier (USI) to NITA, recognising that NITA is required to comply with the Privacy and Data Protection Act.
- attend all training in a timely manner
- prepare well in advance of each training session and to submit work and assessments within allocated timeframes
- if you are unable to attend training, advise your trainer directly to reschedule
- if you are absent from work for an extended period, contact your trainer to discuss the need for a deferral of your training
- it is unacceptable to disrupt, interrupt or interfere with the rights of other students to a positive learning environment, including disruptions of training, workshops or any other learning-based activities
- it is unacceptable to bully, harass, intimidate or to display aggressive behaviour towards the trainer or other students, and
- it is unacceptable to attend any training while under the influence, or in possession, of alcohol, drugs or any prohibited substance.

Voyages' Code of Conduct and supplementary Trainee Code of Conduct

For all NTA trainees, as part of your in-bounding to Ayers Rock Resort, you will receive a copy of the **Voyages' Employee Code of Conduct**. It is important that you take the time to read and ask questions about any part that you may be unclear as you will be required to sign a declaration that you have understood and agreed to adhere to this Code. In addition, as a trainee, the Voyages' Employee Code of Conduct. This ensures Trainees are aware of all Ayers Rock Resort specific conduct requirements.

Uniforms

You will be provided with work tops but individuals need to supply their own bottoms and appropriate footwear in line with the presentation requirements of the place of work or training at the time.

On training and working days the standard dress code includes:

- a clean and ironed uniform
- neat and tied back hair
- minimal jewellery, and
- clean, safe and suitable footwear.

Attendance

Participation in orientation, training, working and professional development sessions is required to maintain participation in the NITA program. Any absences should be communicated and detailed to the NITA management team as soon as possible. In cases of illness, a valid medical certificate must be submitted.

Students who do not attend all course activities through absenteeism or lateness are expected to make up that work in their own time and at a time negotiated and agreed to by their trainer and assessor.

Plagiarism Declaration

When you are completing your written assessments, it is important that it is your own work. All assessments ask that you sign a declaration that you completed the work and should this prove to be false, you may be asked to repeat the assessment or even leave the course.

Advising of Any Changes to Plan

We understand that sometimes, your personal plans may change. This may require you to defer your studies, which are allowed for up to 6 months. To request a course deferment, you must submit a **Deferral and Withdrawal Form** for consideration by NITA's Training Manager. You will be asked to meet with the Training Manager to work out the best way forward, based on your circumstances.

If you are running late with completing an assessment, be sure to let your trainer and assessor know as soon as you think you may not be able to submit it on time. Your trainer and assessor can give you an extension but if the period is more than 2 weeks, you will be required to submit an **Assignment Extension Request Form** for consideration by NITA's Training Manager.

EMERGENCY SITUATIONS AT AYERS ROCK RESORT

As an employee of Voyages, you must ensure that at all times, you protect yourself and others from harmful situations. These may be at NITA premises, in your workplace or anywhere across the Resort. There are a range of Voyages Policies and Procedures which will be shared with you as part of your Orientation Week, such as Workplace Health and Safety. These have been designed to support everyone's safety and well-being.

OTHER IMPORTANT THINGS

Course Fees

Your traineeship program is fully subsidised by Voyages, through Commonwealth funding. As such, you are not required to pay any fees and charges related to your studies.

It is important that you make a commitment to work hard and complete your course as the investment that Voyages had made in you is substantial – for example, a similar fee-for-service course would cost around \$6,000 in student fees.

Refunds

As no student fees apply to NITA's SIT30622 Certificate III in Hospitality course, refunds do not apply.

Issuing Certification Documentation and Graduation

NITA is the issuing Registered Training Organisation and must follow strict requirements in its approval of students to be awarded a Certificate.

The SIT30622 Certificate III in Hospitality is a nationally accredited qualification, with specific requirements which must be competently met by a student to receive an Australian Qualification Framework (AQF) Certificate, consisting of:

- you must ensure that you have satisfied all the assessment requirements, which are specified in the Training Package, and
- you have provided a USI.

If you do not satisfy all these conditions, NITA cannot issue your full qualification Certificate.

If you have completed some units to a competent level as determined by your assessor and provided your USI, NITA will issue Statement/s of Attainment for each of these units.

On successful completion of your course, you will be invited to participate in NITA's formal Graduation ceremony.

Recognised Prior Learning (RPL) and Credit Transfer (CT)

Where you have previously gained relevant skills and knowledge, you may be eligible for **Recognition of Prior Learning (RPL)** of your skills and experiences and/or **Credit Transfer (CT)** for any accredited unit previously completed which are in your NITA course.

If you believe that you have already obtained current skills and knowledge that would otherwise be covered in the qualification or unit of competence for which you to study, or where these skills and knowledge is identified by a trainer and assessor, you can apply for RPL at the time of enrolment or at least 14 working days prior to the unit/s commencement to allow for sufficient assessment of the evidence submitted. After applying for recognition, NITA will provide you with an **RPL Applicant Kit** for your completion, so that you may provide relevant evidence of your experiences. Your **RPL Applicant Kit** must be completed and submitted at least 14 working days prior to the commencement of the unit/s where you are seeking RPL.

For a **Credit Transfer (CT)** application of same or equivalent units of competency, the application must be accompanied by originals of your nationally recognised Certificates and/or Statement of Attainments, with detail indicating the units successfully completed including unit codes and titles and dates of completion. Originals of these documents must be sighted by a NITA representative, who will also verify the certification with the issuing training provider.

For units that are granted RPL and CT:

- the student is exempt from having to complete those units, and
- the units will contribute to the student's eligibility to obtain their full qualification.

Deferral and Withdrawal

NITA does not put in place any financial nor administrative barriers for any student wishing to defer or withdraw from their course. There is no fee charged for requests for deferment or withdrawal from their enrolled course. Given the unique fully subsidised arrangement for NITA trainees, no course related refunds will apply.

If you choose to withdraw or your enrolment is discontinued by NITA, a Statement of Attainment will be issued for all units of competency achieved for those that have been deemed as Competent by the assessor and subject to a USI provided.

Advising of any Issues or Concerns

NITA takes any issue seriously and has a **Complaints and Appeals Policy and Procedure** in place to ensure fair resolution.

A *complaint* is an expression of dissatisfaction or concern regarding a decision or action that relates to any aspect of NITA's services and activities, including:

- products and services
- policies, and/or
- conduct of NITA staff
- conduct of other students
- conduct of employers.

An *appeal* is where a student wishes to express dissatisfaction with a particular assessment result and/or another adverse decision, such as non-eligibility to enrol.

If you believe that you have been treated unfairly or disrespectfully, please contact NITA's Training Manager for a confidential discussion. If it cannot be resolved, then you will be advised to complete a **Complaints and Appeals Form** and NITA's **Complaints and Appeals Policy and Procedure** will be explained to you in detail. This means that your complaint or appeal will be investigated internally and if you are not satisfied with the outcome of this investigation, then you have the right to ask for an independent review, at no cost to you.

The following principles and processes are implemented by NITA to achieve a mutually acceptable outcome for the person who has lodged a complaint or appeal:

- in dealing with all complaints, the rights of all individuals involved will be respected and confidentiality will be maintained
- it is the intention of NITA that a process of discussion, cooperation and conciliation will resolve all complaints
- both the person making the complaint and the person against whom the complaint has been made will receive information, support and assistance in resolving the issue from NITA
- victimisation is unacceptable and will not be tolerated. No person making a complaint or appeal or assisting in the investigation of a complaint or appeal will be victimised
- harassment or discrimination should not be confused with legitimate comment and advice (including constructive feedback) given appropriately by NITA management or staff, and
- staff, students and other stakeholders should not make any frivolous or malicious complaints.

You are also entitled to lodge a complaint with any external agency directly. A list of these agencies is available in NITA's **Complaints and Appeals Policy and Procedure**.

Zero Tolerance to Bullying and Harassment

Bullying and harassment of other students, staff or any other person, including resort guests, is not tolerated at NITA or by Voyages and immediate investigation will commence should any claims of bullying or harassment be brought to the attention of NITA or Voyages' management, in accordance with NITA's **Fair Treatment and Equal Opportunity Policy and Procedure**.

We Love Feedback

Throughout your studies with NITA, you will be receiving feedback on your performance and for all assessments that you complete, both in the classroom and in your workplace. If your assessor believes that you are not quite competent to the required standard, you will have a further two attempts to complete this task or series of activities. We will offer you support and feedback along the way so that you can fully develop your knowledge and skills to achieve competence.

We also want your feedback – there are 3 milestone times in your course that NITA will ask you to complete a **Feedback Questionnaire**. In addition, you can provide feedback at any time, by completing the (informal) **Feedback Form** which is available on the NITA website.

We encourage everyone at NITA to nominate those that they believe are doing a great job and have gone the extra mile. We have our own feedback and **Nomination Forms** available for:

- trainees (your co-students)
- a trainer and assessor
- a NITA Manager
- one of NITA's teams
- a Residential Supervisor.
